

# The Fire Archetype

## AT YOUR BEST

Fire types are Inspirational Leaders who create hope and joy. Your strengths at work are your intuitive mind and receptiveness to new ideas.

## WHEN YOU'RE STRESSED

When you feel overwhelmed and are in a fixed mindset, you shy away from uncomfortable emotions and perceive gratification as the end goal of any situation.

## WHAT OTHERS THINK OF FIRE

In this stressed state, here's what the other archetypes will think of you.

WOOD “Too silly to get things done”

FIRE “Too jittery”

EARTH “Too show-offy”

METAL “Insulting to their boundaries”

WATER “Too superficial”
