

The Water Archetype

AT YOUR BEST

Water types are Wise Leaders who create deep meaning and peace. Your strengths at work are your ability to listen, reflect and solve complex problems with imagination and creativity.

WHEN YOU'RE STRESSED

When you feel overwhelmed and are in a fixed mindset, you can become alarmed and aggravated at people who don't appreciate the bigger picture. You have a tendency to retreat from a collaborative conversation and lose out on opportunities to realize dreams and creative ideas.
